

**SMART ASSISTANCE COMPANY**

شركة المساعدة الذكية

# About Us

Founded in 2009, NUJUM AL-MIAD CONTRACTING EST. (NMC) a dynamic & fast-growing company that specializes in providing top- quality construction, manpower supply, & outsourcing services. With an unwavering commitment to excellence, we have built a reputation for delivering to exceptional results that exceed expectations. Our team of experts comprises seasoned professionals who are passionate about what they do and are dedicated to delivering value to our clients..

At NMC, we understand that every client is unique, and we take a personalized approach to every project we undertake. Whether it's a complex construction project, a skilled workforce requirement, or an outsourcing need, we work closely with our clients to understand their needs and requirements and provide them with tailored solutions that best fit their needs

Our focus on customer satisfaction, safety and innovation sets us apart from the competition. We leverage the latest technologies and industry best practices to ensure that our services are of the highest quality and are delivered efficiently and cost-effectively

As a Saudi Aramco Vendor, we take pride in our reputation as reliable & trustworthy partner. We are committed to upholding the highest standards of integrity and professionalism in all our dealing, and we strive to build long relationship with our clients.

# Founder Message

With great passion and opportunity, this is how Smart Assistance Company was started. Our aim is to create an independent entity in Engineering and Construction. It is our vision to make SAC, a trusted service provider, for most of the Industry in Saudi Arabia, either it is from Oil, Gas Sector, Petrochemical and other Government projects. Our commitment to our core values remains strong. We will continue to operate our business with the highest ethical standards. We will be honest and truthful in all our dealings.

With your help and support, I am confident that SAC will continue to make history. Thank you for being a part of this incredible journey.  
Mohammed Ayyub

Founder

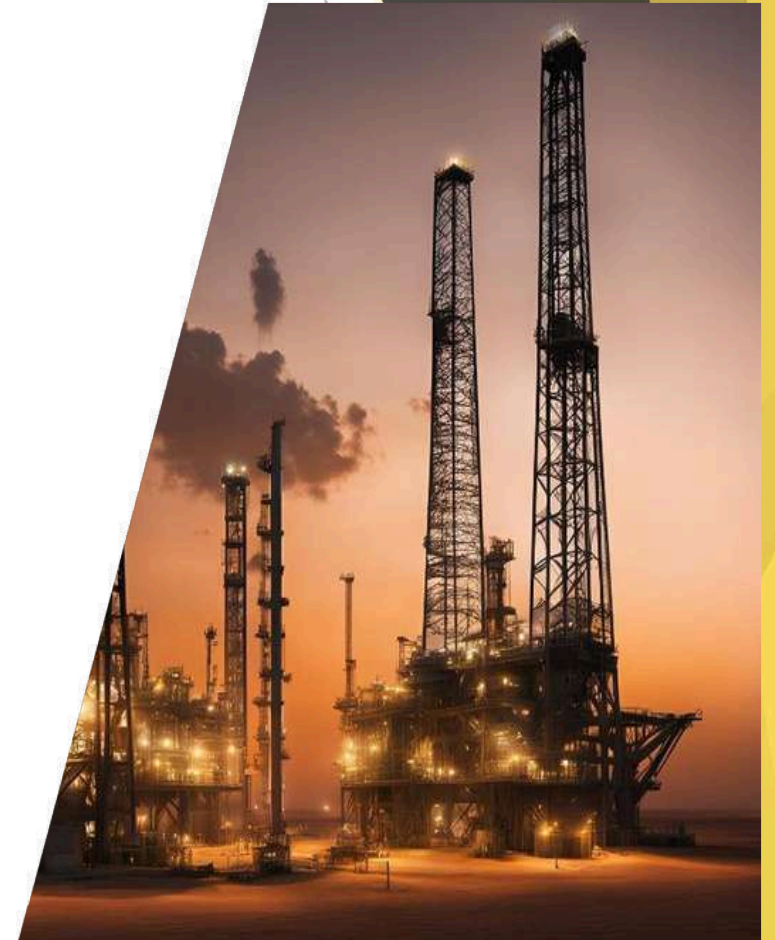

**MOHAMED NAYEEM,  
CEO**

We always aim to meet the changing market our organization and resources to match the global and local requirements We take this measures rom position of financial certain evolutionary trends and anticipating others. The result of this continuous process is our dedication and skills to complete all our projects on time and with SAFETY at work

**ABDUL MANNAN, BUSINESS COORDINATOR**

SAC, has grown tremendously over the past 15 years,. We have attained numerous projects and improve our capability in providing diversified services for the industry requirements. Recognize the fast-evolving nature of the Saudi Market, New technologies and processes emerge quickly. One of the key strengths we at SAC have developed over the years is our organization's ability to learn, adapt and systematically the challenges and opportunity for the Oil, Gas, Petrochemical, Ports and even housing requirements, towards the vision 2030
